Guide to Bees and Honey, Hooper

The National Bee Unit produces a number of relevant booklets, available to download at no cost:

Common Pests, Diseases and Disorders of the Adult Honey Bee, National Bee Unit
Foul Brood Disease of Honey Bees, National Bee Unit
Managing Varroa, National Bee Unit

What to bring

- Clean beekeeping clothes, veil, boots, etc.
- Umbrella

Smokers and hive tools will be provided.

Directions

Our training centre is located at

Blackbury Honey Farm, Southleigh, Colyton, Devon, EX24 6JF

between the towns of Honiton, Sidmouth, and Seaton.

Blackbury Honey Farm is located about a mile from Southleigh village so please do **not** follow Southleigh signs – instead follow the brown **Blackbury Camp** and **Honey Farm** signs.

Satnav users – the postcode is inaccurate - when it tells you that you have arrived, follow the brown sign for Blackbury Camp.

By car

1. Honiton is reached by the A30, which connects with the M5 at Exeter and the A303 and A35 to the East.
2. Follow signs out of Honiton for Sidmouth on the A375.
3. At the crossroads with the Hare and Hounds pub, turn left and follow the brown tourist signs for Blackbury Camp.
4. Follow this road for about 2 miles – do **not** go to Southleigh village.
5. Turn left where indicated by the brown Honey Farm sign, and Blackbury Honey Farm is the first gateway on the left. There is ample parking.

By train

Honiton station is about five miles away and is served by the London Waterloo – Exeter service. Taxis from Honiton station can be booked on 01404 850800 – please ask to be taken to Blackbury Camp, Southleigh and you will pass our gate.
